- Situated at the end, edge, or tip
- Occurring at the end (of a period of time), last
- Extreme in degree

EXTREMUS STRETCH FILM
TAKING PALLET LOAD STABILITY TO NEW LIMITS

Extremus is the latest in stretch film innovation. It is manufactured from a unique blend of polymers through the most advanced nano technology production lines, to achieve one of the strongest and thinnest films on the market, that can be relied on to secure and stabilise any load configuration.

Did you know that 4% of all transported goods are damaged upon arrival...?*

EXTREMUS | EUMOS 40509 COMPLIANT

EUMOS is an European non-profit association that focuses on cargo transport safety.

EXTREMUS Stretch Films have been specially developed to meet the requirements of the EUMOS 40509 legislation with minimum film consumption.

In conjunction with our **Mobile Testing System**, our aim is to guarantee your pallets are following EUMOS guidelines and ensure they're safe at all times.

WHY YOU SHOULD SWITCH TO EXTREMUS:

- Can be applied at less than 4 mu
- High clarity film - easy scanning
- High puncture resistance
- Significant cost reduction
- Enhanced machine & transverse direction to resist tearing
- Traffic accident prevention
- Lower environment impact

Hazel 4D - Branding Stability & Development

HAZEL 4D | EXTREMUS

INCREDIBLY THIN, SAFER & TOUGHER

One of the next generation of stretch films, Hazel 4D's Extremus has been manufactured using the same principles as plywood. Its 33 layers give it superior resistance to tearing and puncture whilst remaining as thin and as flexible as standard film, giving it complete versatility and ease of use.

With Extremus, less film is needed to secure a load properly and packaging costs are significantly reduced.

THE NEXT GENERATION IN LOAD STABILITY & SAFETY!

-  Thin yet strong, with good grip for better load stability
-  Flexibility to adapt to the nature of goods
-  Stronger protection against perforation and rupture
-  Suitable for use on all types of High speed wrapping machines
-  Lower film volume needed. Reduce your cost per load for each containment
-  Economical for transportation and storage with reduced shelf space required
-  Highly stretchable and able to perform at high wrapping speeds
-  Environmentally safe

33 DIFFERENT LAYERS

Engineered specifically for securing safer pallets, Hazel 4D's Extremus performs at higher wrapping speeds with ease.

It has excellent load retention which leads to more stable and secured shipments, reducing the risk of load damages when under transportation. It is well suited to products like bottled water and soft drinks.

**HAZEL 4D
EXTREMUS
STRETCH FILM**

NANO TECHNOLOGY THE LATEST INNOVATION IN STRETCH FILMS

Extremus is the latest technology development in stretch films. The revolutionary way it's manufactured, makes it one of the thinnest and strongest film in the market. With the correct wrapping system it can be applied at less than 4 mu thickness.

THE NEXT GENERATION IN LOAD STABILITY & SAFETY!

It's substantially thinner gauge means a smaller amount of film is required to wrap each load. This reduces the grams per pallet and lowers your packaging costs whilst still preserving load safety and integrity.

It has a higher Machine Direction (MD) and Transverse Direction (TD) tear resistance compared to standard stretch films, giving it excellent containment, stability and safety of every load when correctly applied.

Extremus can be stretched further than 400%, making it one of the most stretchable films in the industry today.

33 DIFFERENT LAYERS

Engineered specifically for securing safer pallets, EXTREMUS Stretch Films perform at higher wrapping speeds with ease.

It has excellent load retention which leads to more stable and secured shipments, reducing the risk of load damages when under transportation. It is well suited to pallets of all types.

THE BENEFITS OF EXTREMUS:

The **T** that stands for Taste

typhooeshop.com /typhoo tea @typhoo_tea

Great Moments. Great Brew. Always Typhoo.

Typhoo Original

Typhoo is one of Britain's favourite teas. 90 refreshing cups of Typhoo are drunk every second – that's 2.9 billion every year. Our team of expert tea buyers and blenders carefully select only the finest tea leaves to ensure great taste, quality and freshness from every cup of Typhoo.

Typhoo Extra Strong

This expertly blended brew has been developed to capture the trend towards more premium teas. Typhoo Extra Strong is a robust, full bodied tea from the finest tea estates in India and Africa.

Typhoo Decaffeinated

Typhoo uses a decaffeination process which gently removes most of the caffeine and is believed to give a better flavour of decaffeinated tea than other methods. So, it's a great alternative to regular tea when you want to reduce your daily caffeine intake.

Typhoo Gold

It is with John Sumner's values for quality and excellence that Typhoo Gold is based, selecting the finest, bright and flavoursome African teas. Typhoo Gold is a deliciously rich, full-bodied and refreshing blend accompanied by a delightful golden liquor, making it a tea to be relished throughout the day.

Blueberries are Booming in the UK

More people are enjoying blueberries than ever before! These brilliant berries are proving a hit throughout the UK, with over 46% of Brits now purchasing them. What's more, popularity of these tiny but mighty delights are increasing every year, with consumers realising their wonderful health benefits and versatility.

Over 32,000 tonnes of blueberries have been sold in the UK over the last year, that's equivalent to 16,494 London black cabs, which has almost doubled in 5 years!

Join in and celebrate National Blueberry Day on Saturday 13th August with the best in season blueberries. The health benefits are numerous, with an 80g serving of blueberries counting towards one of your five a day and only 46 calories. They are also a great source of antioxidants; 40 blueberries contain 7.5 times more than a small banana. What's more, August is the perfect time for you to enjoy them at their best as they are grown in abundance throughout the summer.

Bursting with flavour and goodness, sprinkle blueberries on top of your morning cereal for a healthy kick start, toss them into your salad for a healthy lunchtime boost, or simply enjoy them on their own as a snack, blueberries are easy to consume at any time of the day.

Celebrate National #BlueberryDay

BerryWorld Gin and Blueberry Cocktail

Blueberries and gin are the best summer combination. The black pepper perfectly complements the blueberries and the lemon gives this cocktail a zingy twist.

What you will need:
1 punnet blueberries (approx. 150g)
1 tbsp caster sugar
Juice of half a small lemon
2 grinds of black pepper
120ml gin
30ml Limoncello
Ice, for shaking
Soda water

The Welcome

Prayer

Hymn
In heavenly love abiding
no change my heart shall fear;
and safe is such confiding,
for nothing changes here:
the storm may roar without me,
my heart may low be laid;
but God is round about me,
and can I be dismayed?

Wherever he may guide me,
no want shall turn me back;
my Shepherd is beside me,
and nothing can I lack:
his wisdom ever waketh,
his sight is never dim;
he knows the way he taketh,
and I will walk with him.

Green pastures are before me,
which yet I have not seen;
bright skies will soon be o'er me,
where darkest clouds have been:
my hope I cannot measure,
my path to life is free;
my Saviour has my treasure,
and he will walk with me.

The Declarations

Reading by Jim Norman
1 Corinthians 13

The Address

The Marriage

Hymn
Love Divine, all loves excelling,
Joy of heaven to earth come down,
Fix in us thy humble dwelling,
All thy faithful mercies crown,
Jesus, thou art all compassion,
Pure unbounded love thou art;
Visit us with thy salvation,
Enter every trembling heart.

Come, almighty to deliver,
Let us all thy grace receive;
Suddenly return, and never
Never more thy temples leave,
Thee we would be always blessing,
Serve thee as thy hosts above,
Pray, and praise thee, without ceasing,
Glory in thy perfect love.

Finish then thy new creation,
Pure and spotless let us be,
Let us see thy great salvation,
Perfectly restored in thee,
Changed from glory into glory,
Till in heaven we take our place,
Till we cast our crowns before thee,
Lost in wonder, love, and praise!

The Lord's Prayer
Our Father, which art in heaven,
Hallowed be thy Name,
Thy Kingdom come, thy will be done
on earth, as it is in heaven.
Give us this day our daily bread,
And forgive us our trespasses,
As we forgive those that trespass against us,
And lead us not into temptation,
But deliver us from evil.
For thine is the kingdom,
The power, and the glory,
For ever and ever.
Amen
